

CVES 6th graders submit to The Grannie Annie Family Story Celebration

By Lisa Fischer

SCOTIA -- 11 of the 16 Central Valley Elementary School 6th graders, under the direction of their Instructor Sarah Hansen, recently submitted short stories about their family to The Grannie Annie Family Story Celebration.

This is the first year Hansen has provided her students with the opportunity to illustrate their story, and then share their work with their family, school, community and The Grannie Annie. If their works are chosen CVES students will be among 38 young authors and 12 young artists for the annual volume of Grannie Annie.
